Chapter 4

Class about picking up
Shooting star fragments

I believe
it's fine for us to
proceed now!

Why am I
doing this...

Selesia dragged
us here so keep your
head down and go.

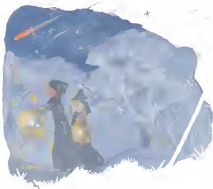

Everyone, use
your star-searching
bracelets well!

YEESSSS!

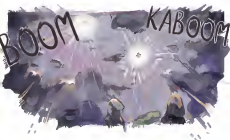

GO!

YAAAAAY!!!

It's pretty quiet...

Yeah, I hope the meteor shower starts soon...

Wow, so quick.
Looks like we found
it already.

BANG

BANG

Yeah...

Which team are
you in? Selena's?

SHAAAK

The usual, isn't it?
I'm a little jealous.

Yeah.

POW!!!

Maa, just being able to see it so close was amazing~!

We can make lamps and candles that don't melt! We'll hollow out the inside, blow it thin and then we can use it like glass!

Oh, right. I was going to give it to that girl in the perfume class.

Gosh, why did I even bother asking? You're freaking engaged!

I heard Yun has short hair now. I wonder what she looks like~

to be continued..
